WHO WE ARE

Abacus Financial Group is a Los Angeles based, full service accounting and tax preparation company. Our broad financial knowledge allows us to meet the ever changing needs of diverse clients in today's society, with proven results.

WHAT MAKES US DIFFERENT

Abacus Financial Group takes a consultative approach to accounting. We are not just focused on the facts and figures; we meet with every client to become intimately familiar with their financial needs.

In fact, we gauge our success by the personal and business growth of our clients!

BUSINESS MANAGEMENT

Our business management services bring increased productivity, profit and freedom.

We identify our clients' needs and make decisions at the alpha level, forecast for the future, and manage finances to ensure total client satisfaction. We are committed to offering superior business management solutions through our client-centered methodology.

We will:

- Analyze information and make decisions that support your needs
- Receive, process and pay bills
- Manage your budget, business correspondences and accounts payable and receivable
- Serve as independent business consultants
- Maintain asset records for insurance documentation and related purposes
- Work with third party professionals to address life management needs

TAX PREPARATION

We offer professional tax preparation and planning to reduce tax liabilities and penalties. We monitor federal, state and local tax laws to ensure financial savings for our clients.

Tax Preparation

- Individual income tax forms
- Corporate income tax filing
- Partnership and LLC income tax preparation

Tax Planning

- Calculate necessary estimated tax payments
- Offer suggestions to lower tax liabilities to federal and state agencies

BOOKKEEPING

We will manage bookkeeping on a quarterly, monthly or weekly basis to ensure that finances are tracked and managed appropriately. Our bookkeeping services aid in accounting of finances and the preparation of taxes.

Accounts Receivable:

- Customer Invoicing
- Aging reports and notices of open invoices
- Collection letters and phone calls

Accounts Payable:

- Bill tracking
- Timely payments of all bills due
- Reports on outstanding debts and bills due

Bank and credit card account reconciliation

PAYROLL SERVICES

Abacus Financial Group offers accurate, tax compliant payroll processing. Whether you're a small-to-medium-sized business owner with payroll processing needs or an accounting professional looking for the best payroll service for your clients, we have a comprehensive and affordable payroll solution for you.

Services Include:

- Professionally prepared payroll checks
- Timely tax payments to state and federal agencies
- Accurate payroll reporting
- Direct deposit or check disbursement
- Automatic preparation of W-2 forms for employees

We help individuals and companies identify areas negatively affecting profitability and growth. We further work with our clients to develop practical solutions to meet their diverse needs. In addition to acting as a sounding board for management, we provide comprehensive, flexible strategies that address the changing needs of today.
